TOWN AND COUNTRY PLANNING ACT 1990

APPROVAL REQUIRED BY CONDITION OF PERMISSION

Reference: H08-1298-16 **Date of Decision:** 1st February 2017
Applicant: Mr P Twell
258 Siltside
Gosberton Risegate
Spalding
Lincs
PE11 4JR
Location: 258 Siltside Gosberton Risegate Spalding
Description: Large scale details (Condition 9 of H08-0803-09)

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The retention of the front door canopy, surround and overlight as constructed, in conjunction with the proposed door reveal, are considered to be unacceptable in terms of the quality of their design detailing, materials, method of construction and their relationship to the well-measured Georgian architectural character of the host-building. In particular, whilst the front door surround, canopy and reveal are a crude approximation of the traditional, classically proportioned joinery common to houses of this period and status, the door surround is not integrated into the brick work as it should be, but is attached on top of the existing brick as a separate addition. The existing door surround has bland detailing, and is already showing signs of deterioration and poor construction. Given that this replacement dwelling greatly exceeded the normal policy limitation of a 20% increase in total floor area, and as such was only justified on the basis that it would deliver a high quality of architectural design and detailing, it is considered essential that the high standard achieved by the remainder of the development is not watered down by prominent architectural features of substandard design. The existing front door surround lacks the detailing and status expected for a main entrance of this size of dwelling in relation to Georgian proportioning, and would consequentially have an adverse effect on

the character and appearance of the surrounding area. Therefore, the details as submitted are contrary to the provisions of Policies SG14 and HS17 of the South Holland Local Plan, 2006.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

The determined plans are:

Dwg. no. 3054-16-01A and e-mail from agent dated 20 January 2016.

Paul Jackson
Place Manager
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

<http://www.planningportal.gov.uk/planning/appeals/planningappeals>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
