DO NOT SCALE FROM THIS DRAWING.

This drawing is copyright and may not be shared, traced, photographed or used for any purpose other than that for which it is issued. The Drawing Contractor is to check all dimensions on site and report any discrepancies to be resolved. All details shown on the drawing indicate Buildings are based upon typical site conditions visible to the eye. No responsibility is accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be carried. Site soil inspection is recommended in respect of foundations to establish specific site conditions, before foundation work is carried out. This drawing is limited to the extents of information supplied and does not purport to be a full specification of the works. It is solely for the purpose of obtaining Planning Consent/Building Regulation Approval and is not to be used for any other purpose. This drawing is not to be scaled. Dimensions are given only for the purpose of information and do not represent working drawings. It is the duty of the appointed agents responsibility to comply with/complete all schedules of inspections, acceptance of specifications, variations or opinions etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instructions and relevant Code of practice. Materials shall conform to appropriate British standard specification or BBA certificate as European code equivalents. The Employer / Client shall ensure that the appointed contractor is competent with and allocate all resources necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that where the works need to comply with the Construction Design and Management Regulations an Architectural Planning Supervisor will be required. The Health and Safety file shall be given to the person who has the control of the work, that may not necessarily be the client. Any amendments to this drawing necessary to carry out the works shall be deemed to be included.
