Dear Ozlem Ipek

I believe that the position of the flue is as requested, but the method of getting there is not acceptable. Looking at the plans, you will be going through too many walls. I have attached the preferred plan, but instead of coming out the side wall, it should come out the rear wall of the modern extension. The flue pipe therefore only needs to move around the corner to be out of sight of Albert Street. Any problems, please come back to me.

Regards

Tracey Meachen  
Planning Assistant
