TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H09-0033-22 **Date of Decision:** 8th March 2022

Applicant: T McCreery
Holmewood
Penny Hill Road
Holbeach
Spalding
PE12 8DN

Location: Holmewood Penny Hill Road Holbeach Spalding

Description: Extensions & Alterations

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

3951-21 01
3951-21 02D
3951-21 03B

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The brickwork and roofing tiles of the development hereby permitted shall match as

closely as possible those of the principal existing dwelling on the site.

Reason: In the interests of the architectural and visual integrity of the overall development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

4 Four swift nest bricks shall be incorporated within the external walls of the extensions hereby approved and shall be retained thereafter.

Reason: In the interests of biodiversity.
This Condition is imposed in accordance with Policy 28 of the South East Lincolnshire Local Plan, 2019.

5 The accommodation hereby permitted shall be and shall remain incidental to the use of the dwelling known as Holmewood, shall not be sold or let off separately, and shall be used only by members of the family of the occupier of that dwelling.

Reason: The Local Planning Authority consider that the proposed annexe would be inappropriate for occupation independent of the main dwelling by virtue of the substandard level of accommodation of the annexe and the physical relationship between the annexe and the main house which would create inadequate levels of residential amenity for the occupiers of both. Furthermore, independent occupation of the annexe would be tantamount to the formation of a new dwelling in the open countryside which would be contrary to national guidance contained in Section 5 of the National Planning Policy Framework, 2021 and Policy 1 of the South East Lincolnshire Local Plan, 2019.
This Condition is imposed in accordance with Policies 1 and 3 of the South East Lincolnshire Local Plan, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

The applicant has not identified or provided a drainage strategy for the site within their application. If a surface water discharge is proposed to a watercourse, then the proposed development will require land drainage consent in line with the Board's byelaws (specifically byelaw 3). Any consent granted will likely be conditional, pending the payment of a Surface Water Development Contribution fee, calculated in line with the Board's charging policy (https://www.wlma.org.uk/uploads/WMA_Table_of_Charges_and_Fees.pdf).

The applicant has not indicated how treated foul water from their site will be disposed of. If the applicant wishes to discharge foul water to a watercourse this proposal will require

DC_FINAL_DECISION - ODB:14

land drainage consent in line with the Board's byelaws (specifically byelaw 3).

The applicant should confirm if there are any riparian owned/maintained watercourses within or adjacent to the site boundary. If the proposals do involve the alteration of a watercourse, consent would be required under the Land Drainage Act 1991 (and Byelaw 4).

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
