Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reused, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown in this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction and reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approvals. This drawing must not be used as a contract document alone. The works will not be examined or inspected on site by G R Merchant or any representative there of. It is the client or their appointed agents responsibility to control subcontractors, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. to manufacturers instructions and recommendations and to codes of practice. Workmen shall comply with current Health and Safety Executive Guidelines and all relevant European codes and orders. The Employer / Client shall ensure that all selected contractors comply with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and their duties. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be an obvious inference as necessary to carry out the works shall be deemed to b) included.
