Job Ref.	Drawing No.
837-03	01
Date: DEC '03.	Drawn: GRM

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photocopied or used for any other purposes other than that for which it is issued. The Client/s Contractor is to check all dimensions on site and report any discrepancies to this Architect. All dimensions shown on the property including Boundaries are based upon scaled site surveyors feature & no responsibility can be accepted for assumed variations which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purpose of obtaining Planning / Building Regulation approvals. This drawing should not be used on construction work unless The contract will not be supervised or inspected on site by G R Merchant one of any numbered items thereof, it is the client or their appointed agents responsibility to ensure that the works are inspected at materials referenced to specification.
All materials to be new unless otherwise stated and all components and materials are to be used fitted and measured etc. to in full accordance with manufacturers instruction and relevant code of practice. Materials and work are to appropriate British standard specification or bear certificate of European code number. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites - c.d Work Sizes. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works and standards as set is shown on the drawing and details. Work that may not specifically shown but may be necessary internal or necessary to carry out the works are to be included.
