Subject: FW: CONSULTATION REQUEST

Hi,

H09-0132-23 - Land North of Roman Bank and East of Middle Marsh Road at Red House Farm

Can the response from Lincolnshire Wildlife Trust please be captured into the DIP.

Thanks
Mark

Good morning Mark,

My colleague Beth responded to an email from Daniel Allen regarding this application on 22nd November.

"Thank you for contacting me about the lack of comments from LWT on the amended application for this solar farm. LWT submitted a response to the initial application on 06/03/2023 after which I was in communication with Polly-Harris Gorf about a management plan. Now that that the management plan has been produced, and our other comments addressed, LWT is happy to lift our holding objection on this development."

Please do let me know if any further comment is requested from ourselves.

Kind regards,

Hannah Curtis (she/her)

Subject: CONSULTATION REQUEST

Good Afternoon,

Planning Ref: **H09-0132-23**
Proposal **Proposed construction and operation of a 48MW solar farm com**
Location: **Land North of Roman Bank and, East of Middle Marsh Road at Red House Farm**

Hope you are well?

We carried out secondary consultations in relation to the above application on 19th September 2023 and have not received any response back. The reason for the re consultation was 'Amendments to layout, scheme, revised plans and revised/additional supporting documentation - including landscape and ecology information'.

Would it be possible to confirm if you have any comments, objections or see any mitigation necessary to this development (or (if comments were sent on the first scheme of consultation that these still remain valid). If we could receive these comments by **8th December**, it will any able us to determine this application.

Your responses are very much appreciated.

Kind Regards

Mark
