This drawing is copyright and must not be altered, traced, photographed or used for any purpose other than that for which it is issued.
The General Contractor is to check all dimensions on site and report discrepancies to the Architect.
All details shown on this drawing including Boundaries are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect and design amendments may be considered. Site soil surveys are recommended to be carried out sometimes to establish ground conditions before foundation work is undertaken.
