Application	H09-0209-20
Location	115-119 Battlefields Lane North Holbeach Spalding PE12 7PF
Proposal	Conversion and change of use of factory and office building to form 8 new dwellings, laying out of private and communal gardens, car parking, cycle and bin storage areas, and ancillary development.

Name	Sue Armour
Address	Environmental Protection Officer SHDC PE11 2XE
Date Submitted	26-03-20
For/Against	Objections

Given the sites past use for animal processing, I request that as a minimum a desk study is provided prior to determination. Given that the long-term business owners are still involved in the site, I strongly suggest that any environmental consultant discusses in detail the site history with them as part of this.
If you choose to proceed without this, the please ensure that the full land contamination condition is applied.
