Subject: FW: Application reference.: H09-0311-20.

Please file on the above file under (Minor amendments to application).

Thanks, has last e-mail underneath that I sent, so no need to duplicate, please just file this one, and the first one, of the three that I have just sent.

Sorry to be so complicated, please just phone me if any problems.

Thank you, it is appreciated.

Yours sincerely,

Diane

Dear Mr. Buttery,
Thank you very much indeed for your prompt response.

Please confirm that you are happy for me to substitute your description on the original Tree Works Application From:

‘Two limbs require removal from large Oak tree (highlighted on map and pictures) these limbs are within the live zone of an open wire conductor.

ENATS requires a 3 metre clearance for climbable trees to be around this live zone for safety reasons, these limbs are well within that limit, limbs within this proximity could potentially be live due to their location. All work would be done by qualified arborists who are utility arb trained and under shutdown conditions due to the danger of cutting so close to the conductor live work is not possible.’

To:

‘

Side Prune - Circles on drawing identify limbs not where to make cuts, clearances based on council guidelines TPO tree.

SPECIAL INSTRUCTIONS TPO TREE MINIMAL AS POSSIBLE CUTS TO PREVENT MAJOR WOUNDS ON TREE. CLEARANCE OF 1.5 METRE AROUND CONDUCTOR WITH TREE GUARD FITTED TO INSULATE LINE AFTER COMPLETION OF WORK. Advanced notice needs to be given

When I issue the decision notice regarding works on this tree. If you would like to amend the wording further to fit in the description box, please let me know.

Presumably you will check that the applicant has no objections to the change.

Many Thanks.

Yours sincerely,

Diane Fairchild Fenton (Mrs).

Trees and Nature Conservation Officer,
