Application H09-0326-17
Location Land off Wignals Gate Holbeach Spalding
Proposal Residential development

Name Noise and Contaminated Land
Address Environmental Health Technician Safety and Environment

Date Submitted 27-04-17
For/Against Comments

I request the full contaminated land condition for this site. This is due to it's previous use, the former railway that runs through the south of the site, a record of a pollution incident and recorded landfills north west of the site. This is in order to protect the end user.
