This drawing is copyright and may not be saved, passed, photocopied or used for any other purpose other than that for which it is issued.
The General Contractor is to check all dimensions on site and report any discrepancies to the Architect.
All details shown on this drawing including foundations are based on typical site conditions normally found in the area. No responsibility can be accepted for abnormal conditions which may be encountered during construction unless reported to the Architect before the commencement of the relevant work has been considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before the relevant work is undertaken.
