PROPOSED EXTENSION & ALTERATIONS AT CLAYS FARM ROMAN BANK HOLBEACH BANK HOLBEACH LINCS for MR & MR GILBERT

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of Julian Warrick Design Consultancy and is issued on the express condition that it is not reproduced, retained or disclosed to any unauthorised person either wholly or in part without the written consent of Julian Warrick Design Consultancy. It is supplied only for the purpose of obtaining statutory approvals and building regulation approval and may not be used for any other purpose without the written consent of Julian Warrick Design Consultancy. Any breach of this condition may render the offender liable to proceedings for damages and an injunction. Julian Warrick Design Consultancy will not be responsible for any loss or damage caused by any unauthorised alterations to the drawing. Any discrepancies must be reported immediately to Julian Warrick Design Consultancy before any work is put in hand. Figured dimensions are to be taken in preference to scaled dimensions. Dimensions must be checked on site by the contractor before any work is put in hand or any materials or components are ordered. Any discrepancies must be reported immediately to Julian Warrick Design Consultancy. All materials and workmanship are to be in accordance with the current British Standard Specifications and Codes of Practice. Any proposed alterations to the structural design must be submitted to the Engineer for approval before any work is put in hand. All dimensions relating to existing buildings are to be verified on site by the contractor before any work is put in hand or any materials or components are ordered. Any discrepancies must be reported immediately to Julian Warrick Design Consultancy. The Contractor is to comply with the Construction (Design and Management) Regulations as Independent CDM coordinator. Work that may not specifically be known to be dangerous or hazardous but could become so during the course of the work must be reported immediately to the Principal Contractor. Any proposed alterations to the structural design must be submitted to the Engineer for approval before any work is put in hand. Any proposed alterations to the structural design must be submitted to the Engineer for approval before any work is put in hand.
