shall be used. The Employer/Client shall ensure that all personnel and material used, to be used shall be tested and, in strict accordance with manufacturers' instructions and relevant codes of practice. Materials shall conform to appropriate third standard specification or BSA certificate or European code equivalent. The Employer/Client shall ensure that the selected contractor is conversant with and accepts all measures necessary to achieve compliance with Health and Safety legislation for Building and construction practices. The Employer/Client is advised that should the work need to comply with Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and detailed. Work that may not explicitly show but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
