TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H09-0445-16 **Date of Decision:** 26th July 2016
Applicant: Mrs A Wright
5 Colin Close
West Wickham
Kent
BR4 9JP

Location: The Crown Hotel Car Park West End Holbeach Spalding
Description: Pair of semi-detached dwellings on part of The Crown Hotel car park

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Dwg. no. 2923-16-01B.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 Before the commencement of the development hereby permitted, full details of the existing and proposed site levels and proposed floor levels of the buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the details so

approved.

Reason: To ensure that the Local Planning Authority retains control over the finished site and floor levels of the development, in the interest of its visual and architectural relationship with adjacent development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006.

- 4 Notwithstanding the details accompanying the application a one metre square freestanding panel of brickwork showing the type of brick to be used in the construction of the development hereby permitted shall be constructed on site and approved by the Local Planning Authority before the commencement of the development hereby permitted beyond oversite. All new brickwork shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style. The brickwork panel so constructed shall be retained on the site until the development hereby approved has been completed.

Note: The applicant is advised that a buff coloured mortar (white Portland cement or similar with sharp yellow/orange sand) with flush, 'bagged' finish to reveal the aggregate in the mortar would be appropriate.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 5 The new brickwork shall be constructed in English Bond on the front elevation of the dwelling and English Bond or English Garden Wall Bond (ratio 1:3) on the side and rear elevations.

Reason: In the interests of the architectural and visual integrity of the overall development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG20 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 6 Before work is commenced beyond oversite a sample of the natural slate to be used for the roof shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the details so approved.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local

Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 7 Details of the window frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 8 All new window frames, glazing bars and external door frames shall be of timber construction and painted cream or white. They shall thereafter be so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 9 The external face of the frame to all new windows shall be set in a reveal of 100mm from the front face of the adjacent walling and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over this detail of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 10 Details of the design of all external doors and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), threshold and lintol detailing, and means of opening. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 11 The rainwater goods utilised in the development hereby permitted shall be coloured black and of metal construction and thereafter so maintained.

Reason: In the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 12 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the architectural composition and appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 13 Notwithstanding the approved drawings, large scale details (at a scale of at least 1:20) of the eaves shall be submitted to and be approved in writing by the Local Planning Authority prior to work commencing beyond oversite. These details shall provide for a cross sectional detailed drawing at 1:20 scale for each feature and the development shall be constructed in accordance with the details so approved.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 14 External boxes for gas and electricity supplies shall be installed in accordance with the submitted details. They shall not be installed on the front (Northern) elevation.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 15 Prior to occupation of any dwelling the metal railings along the northern, eastern and western boundaries shall be installed and painted black in accordance with details to be submitted to and approved in writing by the Local Planning Authority. They shall thereafter be retained.

Reason: In the interests of the character and visual amenity of this part of the Conservation Area and also the amenity of neighbouring residents.

This Condition is imposed in accordance with Policies SG14 and SG17 of the South

Holland Local Plan 2006 and advice within Section 12 of the National Planning Policy Framework, 2012.

- 16 Before either dwelling is occupied the garden wall along the eastern boundary of the site shall be constructed in accordance with details to be submitted to and approved in writing by the Local Planning Authority. The walling shall be constructed in garden wall bond to a ratio of 1:3 or 1:5.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 17 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out:

- i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks;
- ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;
- iii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of this part of the Conservation Area within which it is set.

This Condition is imposed in accordance with Policies SG14 and SG17 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 18 Before the dwellings are occupied, the parking areas shall be completed in accordance with the approved details and retained for that use thereafter.

Reason: To ensure a satisfactory development and safe access to the site and each dwelling, in the interests of residential amenity, convenience and safety.

This Condition is imposed in accordance with Policies SG14 and SG15 of the South Holland Local Plan, 2006.

- 19 Foul water shall be disposed of via the mains sewer.

Reason: To ensure that the site is adequately drained in the interests of the amenity of future occupiers and the amenities of the locality.

This Condition is imposed in accordance with Policies SG12 and SG13 of the South Holland Local Plan 2006.

- 20 Before the commencement of the development hereby granted beyond oversight, full details of the means of surface water disposal shall be submitted to and approved in writing by the Local Planning Authority. The details so approved shall be implemented in full before the development hereby permitted is first brought into use.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.

This Condition is imposed in accordance with Policies SG11 and SG13 of the South Holland Local Plan, 2006 and national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

- 21 No development shall take place until a written scheme of archaeological investigation has been submitted to and approved in writing by the Local Planning Authority. This scheme should include the following and should be in accordance with the archaeological brief supplied by the Lincolnshire County Council Historic Environment advisor on behalf of the Local Planning Authority:

1. An assessment of significance and proposed mitigation strategy (i.e. preservation by record, preservation in situ or a mix of these elements).
2. A methodology and timetable of site investigation and recording
3. Provision for site analysis
4. Provision for publication and dissemination of analysis and records
5. Provision for archive deposition
6. Nomination of a competent person/organisation to undertake the work
7. The scheme to be in accordance with the Lincolnshire Archaeological Handbook.

The archaeological site work shall only be undertaken in accordance with the approved written scheme.

Reason: To ensure the preparation and implementation of an appropriate scheme of archaeological mitigation in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

- 22 The applicant shall notify the Lincolnshire County Council Historic Environment Department in writing of the intention to commence at least fourteen days before the start of archaeological work required in connection with Condition 21 above in order to facilitate adequate monitoring arrangements.

Reason: To ensure satisfactory archaeological investigation and retrieval of archaeological finds in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 23 A copy of the final report required in connection with Condition 21 above shall be submitted within three months of the work being carried out to the Local Planning Authority and the Lincolnshire Historic Environment Record. The material and paper archive required as part of the written scheme of investigation shall be deposited with an appropriate archive in accordance with guidelines published in The Lincolnshire Archaeological Handbook.

Reason: To ensure satisfactory arrangements are made for the recording of possible

archaeological remains in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

The development hereby permitted will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (via call centre Tel: 01522 782070) prior to the commencement of any works within the public highway.

Paul Jackson
Place Manager
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

<http://www.planningportal.gov.uk/planning/appeals/planningappeals>

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
