Application	H09-0447-21
Location	Cloudtenn DTC Chapel Drove Holbeach Drove PE12 0PT
Proposal	Change of Use to Dog Training Area - Retrospective

Name	Steve Branson
Address	South Holland District Council Priory Road Spalding PE11 2XE

Date Submitted	23-08-21
For/Against	Objections

The application site is close to residential properties and we have received a noise complaint from one of the residents.
A subsequent investigation has shown that noise from dog barking and raised voices is clearly audible at the complainant's property.
Given the location it is highly unlikely that any noise mitigation measures will have a significant impact.

I therefore wish to object to the application.
