Please find below answers to queries raised in your letter to South Holland District Council date 20 May 2021.

1 2 x Classes are run on a Tuesday evening 2 x Classes on a Wednesday evening. These classes have no more than 6 participants each, no more than 6 vehicles at a time. There is 15 mins between groups. There is no booking system as such. Participants pay on a rolling monthly basis. I hold a waiting list and if a person leaves then their spot is usually filled from this list. Summer classes are 5.30-6.30 and 6.45-7.45 These may start finish earlier as the evenings draw in Winter classes, normally Sunday but may change due to weather etc but normally will run for an hour then a 15 min break from 10am. I have attached a site map showing the summer and winter parking.

2 The two training camps are run slightly differently. There are 24 working spots available during the days session, 6 per group with 4 groups per day. I offer 16 camping spots, not all are booked as participants may be local or prefer to B&B close to the venue and travel per day. Previous camp had 12 and 8 caravans respectively.. I attach a copy of the layout of caravan spots. Vehicles park with their pitch and other vehicles either in a vacant pitch are where the day parking is shown.

3 We will make the S184 application asap
