Hi,

Please add this information to the application under 6SUP.

Thanks,

Dave

Hi David,
further to our recent telephone conversation regarding application H09-0459-15 I can confirm that the proposed roof tile is the Sandtoft Calderdale Slate and the coulor is to be grey- please see the attached photograph...

I trust this clarifies matters, however please contact me should you wish further information.

Best wishes,
Richard

Sandtoft Calderdale Slate- Grey
