DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be stored, traced, photographed or used for any other purpose other than that for which it is prepared. The General Contractor is to verify all dimensions on site before commencing any work or shop drawings. Any discrepancies are to be brought to the Architect's notice immediately. Foundations are assumed upon typical site conditions related to the area. No responsibility can be accepted for assumptions taken, risks which may be discovered during construction unseen reported to the Architect so that design or mechanisms may be considered. Site soil surveys are recommended in respect of foundations to ensuited specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. If a salary for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on a 'day to day' basis by G.R.Merchant or any representative thereof, it is the client or their appointed agents responsibility to arrange adequate supervision and inspection of materials, adherence to specification and workmanship to comply with all.

All materials to be new unless otherwise noted and all components and materials are to be used fitted and installed etc. in or in accordance with manufacturers instruction and relevant code of practice, (stainless steel contrasts to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary) to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be in control. The works shall comprise of all that is shown on the drawing and details, plans and many more specifically shown but may be reasonably inferred as necessary to carry the works shall be deemed to be included.
