DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon the information supplied at the time, no responsibility can be accepted for any inaccuracies arising from this information. Any variations must be approved by the Architect as that design acknowledges may be convenient, title and surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing shall not be used as a planned document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to correct workmanship, substitution of materials, adherence to specification, variations to contract, etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in accordance with the manufacturers instruction and relevant code of practice, Materials shall conform to appropriate British standard specification or BBA certificate or European class equivalent. The 'Employer / Client' shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety Regulation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
