Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The kitchen wall with window was due to be built out of brick matching or close to original house brick, and the remaining extension block and render.

When looking at the existing bricks the previous owner has used various treatments on the bricks and so to match the brick would be quite difficult and would look a little off.

We are wondering if we can build the kitchen wall out of block and render to match the rest of the extension

Please state why you wish to make this amendment

We would like to build the kitchen wall out of block and render to match the rest of the extension as it would be more aesthetically pleasing than mismatched brick
