AS INDICATED

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client or Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on sub-contract drawings must be checked and agreed before any conditions relevant to the work. No responsibility can be accepted for dimensions or conditions which may be dimensioned during construction unless referred to the Architect so that checks can reasonably be carried out. This set of working drawings is issued in response to Statutory requirements to establish specific site conditions before tenders will be submitted. This drawing is limited to the extent of the information available at the time of issue and is not to be used for the purpose of setting out or as a production drawing. Any dimensions scaled from this drawing are approximate only and must not be used as a production dimension drawing. The Client will not be supplied copies of negatives or soft copies of this drawing for any reason thereof. It is the client or their agents responsibility to obtain all necessary building, authorisation or approvals, and to comply with all relevant regulations in connection therewith. Materials to be used unless otherwise stated are all compliances and workmanship, to the latest British and Ireland acts, to avoid non-compliance with manufacturers instructions and requirements of all providers. Whether such conditions or specifications British Standard specification or other specifications as may be duly approved. The Building / Client shall ensure that the party will undertake in accordance with the Construction Design and Management Regulations and supplementary Planning Supervisor will be required. The Client shall ensure that all risk is adequately and clearly stated in the Health and Safety Plan. The Building / Client is to ensure that adequate insurance cover is in force to cover all risks including the Contractors
