This drawing is copyright and may not be shared, issued, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site and surveys are recommended in respect of boundaries & location. Specific site conditions before foundation work is undertaken. This drawing is limited to the removal of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be performed or inspected on site by G R Merchant or any representative thereof. It is the client or appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials are to be used fitted and installed etc. to strict accordance with manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected Contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building Sites and Work places. The Employer / Client is advised that should the works need to comply with The Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the Drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to
