STATEMENT TO ACCOMPANY PLANNING APPLICATION

PROPOSED DWELLING AT CHURCH WALK, HOLBEACH FOR
MR. & MRS. E. LYNDON

Mr. & Mrs. Lyndon (senior) have lived in the South Holland area for 30 years, most of that time in Holbeach.

Mr. Lyndon (junior), with his wife Janet, and 8 year old daughter, have lived with the Lyndons (senior) since the end of 1999 in their three bedroom bungalow at 80 Fleet Street, Holbeach. They previously lived in London.

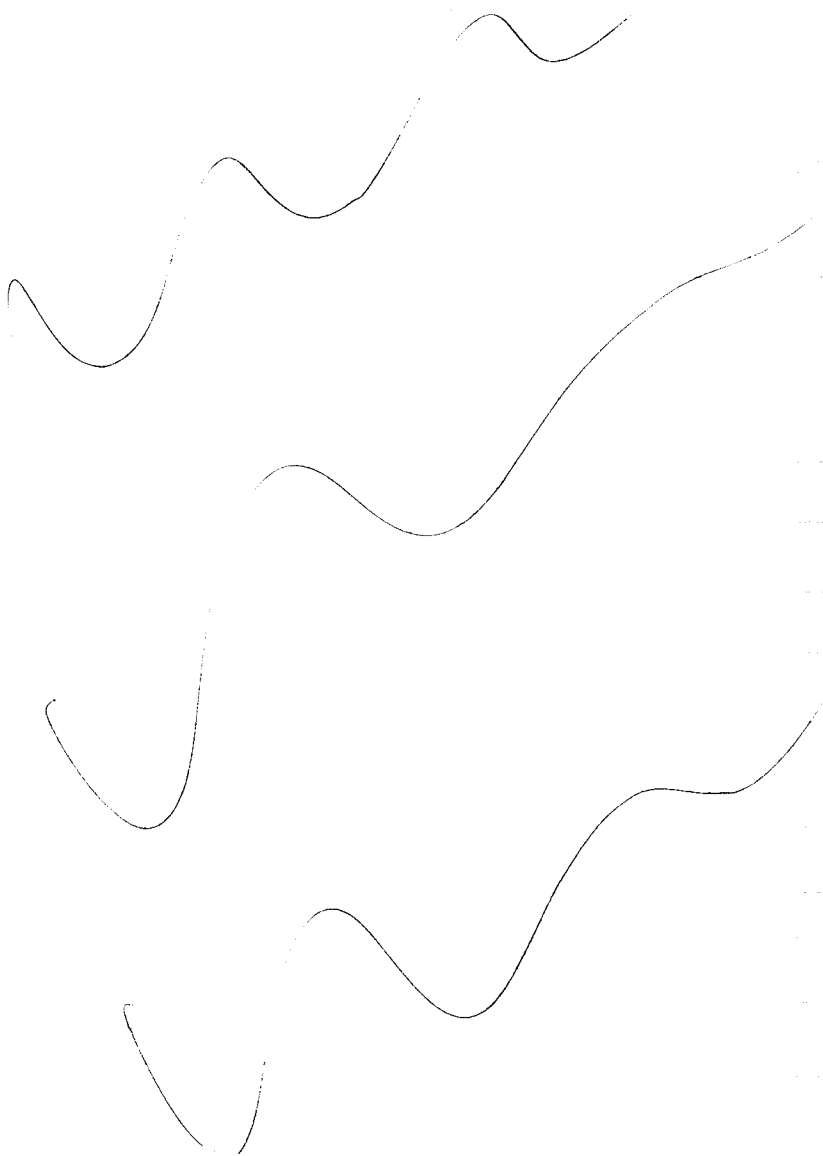

Mr. Lyndon's wife Janet suffered a near-fatal car accident in December 1997, she is registered disabled and needs constant care. She is unable to provide proper care for her daughter. As a consequence, the family moved to the parents home, with Mr. Lyndon (junior) spending weekends at home and working days in London on his business, and on the basis that a larger, purpose designed home would be built to house both families.

The new home, forming this application, is designed to provide separate living areas for the two families, allowing a degree of independence for Mrs. Janet Lyndon whilst allowing the necessary care to be provided. Given that Mr. & Mrs. Lyndon (senior) are at retirement age this would also allow in future for live-in care.

The accommodation proposed will incorporate larger sized rooms, wide door openings, and the facilities and fittings necessary for the disabled person. Externally, gardens will be predominantly pathways and walkways, and easily maintained plants and shrubs.

The location of the site is ideal to allow easy access to the town's facilities.
