4 Before the access is commenced to be used, provision shall be made within the site to the reasonable satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

5 Within 3 months of the date the dwelling hereby permitted is occupied the existing cottage on the site shall be demolished and associated rubble cleared from the site, to the reasonable satisfaction of the Local Planning Authority.

Reason: The site is in a rural area where it is the policy of the Local Planning Authority not normally to permit additional residential development. The proposed development is a replacement dwelling and this condition is imposed as it is not considered that a departure from that policy is warranted.
