**STATEMENT IN SUPPORT OF APPLICATION**

Lincolnshire County Council Highways has requested that Haycroft Homes Ltd allow Station Road to be made wider than currently indicated on the approved plans (approximately the stretch of road between plots 14 – 22).

This widening will ensure that normal traffic is able to flow in two directions whilst still enabling the residents of Millfield Terrace to safely park their cars on the roadside outside of their properties.

Houses 15&16 are to be moved back into the site a distance of approximately half a metre.

Houses 17-20 are to be moved back into the site a distance of approximately quarter of a metre.

All other houses remain unchanged.

There is no change to the design of the individual properties.
