DC Architectural Services ltd

Architectural and Planning Services

HOLBEACH HOSPITAL SOLAR PANELS
Planning ref H09/0665/23

We refer to comments made by the parish council,

- China's alleged poor human rights record – whist this is not a planning issue, the product details we have provided represent a system available through a variety of manufactures you can be a assured that before any order is placed the integrity of the source will be part of the consideration for selection.
- Visual impact below are photographs for the south and north of the site showing views that will be available to passers by

View from A17 on the south of the site

View from lane on the north side of the site
