Dear Sir

The colour that we were planning to use is 'agricultural grey' I hope this is suitable.

Dear Mr Flett,

I write in relation to the above planning application.

You have indicated on the application form that the proposed external roofing material is a box profiled tin roof. Can you please be more specific in terms of the colour, which should preferably be neutral (eg, green, black or brown).

I look forward to your response in due course.

Regards.

David Gedney
