Dear Sir/Madam,

Planning application for "Erection of a 49.9MW Ground Mounted Solar Array with Associated Underground Cable Route, Substation with POC Mast, Battery Storage, and Ancillary Equipment & Structures at Caudwell Farm PE12 8EW"

I am writing to inform you about the submission of our planning application via the Planning Portal. The application is concerning a solar farm on land at Caudwell Farm, Hollbeach St Matthews (Grid Ref: TF 4078 303). The proposed solar farm consists of ground-mounted solar PV panels and a battery storage facility with related works and infrastructure.

The application was submitted on the 26th of July, 2023 and is assigned with the reference number PP-12278229. The payment of the £169,277 planning application fee (plus £64 Portal processing fee) has been made directly to the Planning Portal.

Figure 0.3 contains a table of contents outlining all the documents, plans and reports contained in the application.

10 CDs, 3 Memory Sticks, and 9 hard paper copies of the Environmental Impact Assessment (EIA) and planning application will be delivered to South Holland District Council. A further copy will be placed in Holbeach Library (5 Fleet Road, Holbeach, Lincolnshire, England, PE12 7AX) for public viewing. All these documents are also available for viewing on www.caudwellsolarfarm.com. If you wish to acquire a copy of the application, it can be obtained at a cost of £500 by contacting Green Energy International on 0161 696 7338 or by emailing planning@greenenergy-int.com

We are awaiting the council's confirmation of validation of this planning application. Please feel free to contact me if you require further information.

Yours sincerely,

Mathew Bayley BA MSc PG Cert
