Application H09-0745-17
Location Land: Church Street Holbeach Spalding PE12 7LL
Proposal Details of remediation method statement (Condition 5(iii) of H09-0770-16)

Name J Reith
Address Environmental Health Technician Safety and Environment

Date Submitted 30-08-17
For/Against Comments

The Remediation Method Statement by GeoDyne dated 26 July 2017 satisfies Part iii of the contaminated land condition. I await Part iv of the condition (Validation Report) in due course.
