Re-use existing PVCu French doors / side windows

GENERAL NOTES :

Copies of drawing 556/1/2019, 556/2/2019 & 556/LP/BP/2019 must not be taken,traced or altered for any purpose other than that for which it is issued without written permission of MW Architectural - Detailing Services.
The drawings are produced only for the purpose of obtaining Planning Permission & do not contain a full specification for the proposed works & must not be used as a contract document alone.
The proposed work will not be supervised / inspected on site by MW Architectural - Detailing Services & it is therefore the client or their appointed Builder / Contractors responsibility to control workmanship / materials / specification & any variations to the contract (variations may require amended drawings / new application having to be submitted to S.H.D.C. Planning Dept. for approval, Builder / Contractor to confirm prior to any variations with S.H.D.C. Planning Dept.).
All measurements on these drawings are not to be scaled for construction / ordering purposes, dimn's & set out of the works as shown on the drawing to be checked by the Builder / Contractor prior to the commencement of work & any discrepancies report immediately.
The actual position of existing gas / electric underground service pipes / cables, surface water pipes / soakaways etc. are not all known / shown the actual positions of all these apparatus must be established by the Builder / Contractor prior to commencement of or during any work

HEALTH & SAFETY

The client is to ensure that the appointed contractor is familiar with & complies with Health & Safety for Building Sites & Work Places.
