DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be loaned, copied or used for any other purpose other than that which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be encountered during construction unless reported to the Architect at that design amendments may be considered. Site and survey are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works & is used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant for the purpose of obtaining Planning / Building Regulation approval, this drawing must not be scaled for the purpose of tendering, estimating, ordering materials, quantities, dimensions, setting out, manufacturing, construction and for any other purpose than for which it is intended. Materials to be as specified. Workmanship to be generally in accordance with the latest British Standard Specification and the appropriate British standard code of practice. Materials and components to be used strictly in accordance with the manufacturers instructions and relevant codes of practice. Building and trade practices, all current legislation, statutory instruments, orders, regulations and bylaws to be complied with. The Employer / Client is advised that should any works need to be carried out which are not specifically shown but may be reasonably inferred as necessary to carry out the works such shall be deemed to be included & the cost / and owners responsibility to be aware of the Party Wall etc. Act 1996 when outlying in close proximity to adjoining neighbors boundaries.
