Date: MAY '03.	Drawn: GRM.

Scales
1/50 1/100 [unless otherwise stated]

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to embody all the specifications of the works. It is issued for the purpose of obtaining Planning & Building Regulations approval. The drawing is not to be used for the purpose of obtaining tenders. No scaling will not be allowed or implied from any of the drawings issued. Figured dimensions to be taken in preference to scaled. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for building sites and Work planes. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor may be required. The Employer / Client is advised to check all the drawings and details. Work that may not explicitly shown but may be reasonably inferred or necessary to carry out the works shall be deemed to be included.
