Details of the pre-application advice received

I have consulted with Angela Doherty in Strategic Housing and will forward her response under separate cover in due course. I also suggest that you undertake a pre-application exercise with the Parish Council and LCC as Highway and Lead Flood Authority prior to submitting a formal planning application.

I can advise you that the site is within the settlement boundary for Holbeach, and is partially included with the Housing Commitment site.

The planning policies for you to consider are:

South East Lincolnshire Local Plan, March 2019

2 Development Management
3 Design of New Development
4 Approach to Flood Risk
5 Meeting Physical Infrastructure and Service Needs
6 Developer Contributions
10 Meeting Assessed Housing Requirements
11 Distribution of New Housing
17 Providing a Mix of Housing
18 Affordable Housing
28 The Natural Environment
29 The Historic Environment
30 Pollution
31 Climate Change and Renewable and Low Carbon Energy
32 Community, Health and Well-being
36 Vehicle and Cycle Parking
APPENDIX 6 Parking Standards
APPENDIX 8 Developer Contributions for Education Facilities
Developer Contributions for Health Care Facilities

National Planning Policy Framework (NPPF), 2019

2. Achieving sustainable development
4. Decision-making
5. Delivering a sufficient supply of homes
8. Promoting healthy and safe communities
11. Making effective use of land
12. Achieving well-designed places
14. Meeting the challenge of climate change, flooding and coastal change
15. Conserving and enhancing the natural environment

With regard to the layout, the submission seems to be a standard Ashwoods layout approach, and I think that as a key entrance to the development consideration of the street scene and the buildings fronting this road will need careful planning.

I would raise the usual concerns regarding parking spaces being on plot, the size of garages meeting the SELLP standard (See Appendix 6) and how the open space is calculated and intended to be managed. The interim layout is light on open space, which you would need to address; this would also impact the level of biodiversity gain to be provided.

The extent of public highway and the details of how it would address the water main would need to be clearly marked on the submission, and I also remind you of my LCC pre application suggestion above.

Finally, if a viability exercise is to be submitted to justify any contribution shortfall, please submit this up front with an undertaking to pay the fees of CP Viability for their independent assessment.

24. Authority Employee/Member

24. Authority Employee/Member

- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

25. Ownership Certificates and Agricultural Land Declaration

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
