TOWN AND COUNTRY PLANNING ACT 1990

Applicant: Mr J Jones

Description: Erection of replacement bungalow

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 Policy 22 of South East Lincolnshire Local Plan (SELLP), 2019 aims to ensure that proposals for replacement dwellings outside defined settlement boundaries do not harm the character of the rural landscape of the region.

To achieve that, proposals should fully comply with the following criteria:

1. the residential use of the building to be replaced (the original building) has not been abandoned;
2. the original building is permanent, has not become derelict and is not the result of a temporary permission;
3. the original building is not of architectural or historic merit and is not capable of repair;
4. the replacement building is of a high standard in terms of architectural detailing and materials of construction;
5. the replacement building is positioned on a similar footprint to the original building unless it can be demonstrated that the re-positioning would have beneficial impacts such as improving the character and appearance of the site and its locality; and
6. the replacement building does not exceed the floor area of the original dwelling by more than 40%, unless the development is of exceptional quality or innovative in nature in terms

of its design, use of materials and levels of energy efficiency.

After assessing the proposals against the criteria above, it is concluded that the proposed development would not accord with criteria 3, 5 and 6.

No evidence has been provided to demonstrate that the existing bungalow is not capable of repair. In addition to that, whilst the replacement building would be positioned on a similar footprint to the original building, the new bungalow would no longer face south-east and no evidence of the benefits of the re-orientation has been provided. Last but not least, the proposed replacement building would be excessively larger than the original building as the floor area of the original dwelling would be exceeded by more than 40%. No evidence of exceptional quality or innovative features of the intended dwelling has been identified in order to justify such an increase in floor area.

The development clearly fails to comply with Policy 22 of South East Lincolnshire Local Plan (SELLP), 2019. It is acceptable on the grounds of residential amenity, car parking provision, highways safety and flood risk. However, the adverse impacts of granting permission for the development as submitted would significantly and demonstrably outweigh the benefits. The replacement dwelling itself has not been justified and the re-orientation and larger footprint of the new dwelling would harm the rural character of the wider area.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
