

3. **PURPOSE OF DEVELOPMENT**

The loss of the site at the old EN Parker Masonry factory means that a replacement site is required, and it is this that is the subject of this application. Therefore a replacement installation is necessary in order to ensure that Vodafone's coverage to Holbeach and the surrounding area is maintained.

4. **THE PROPOSED STRUCTURE** (Please enclose a site plan and indicate details of cell boundaries, and whether shared mast/tower or free-standing)

(i) *Type of structure* (e.g. tower, mast, etc)

A monopole will be used to replace the existing floodlight structure, and this will then have both the floodlights and antenna located on it.

Overall height 15 metres

Height of existing building (where applicable) N/A metres

(ii) *Equipment housing*

length 3.71 Metres width 2.51 metres height 2.81 metres
