• Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
• Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
• Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

BT plan to install the ‘fibre’ broadband rollout network programme, as part of the Governments initiative for high-speed broadband, to every home by 2025. Therefore, BT needs to upgrade the broadband and landline technology for the local area that this telephone exchange serves. As part of this upgrade,

5. Description of the Proposal

additional ventilation is required at the above premises. It is proposed to remove a pane of glass from a window on the ground floor northwest elevation. An aluminium louvre will be installed and fixed to the metal window frame. It is also proposed to remove a pane of glass from a window on the ground floor southeast elevation and install an aluminium cowl. The existing louvre in the panel below will be plated over. The louvre and cowl will be a mill finish to match existing louvres already installed in the building.
