Description: Change of use from agricultural land to domestic garden

Location : Land at Rear of 39 Joys Bank Holbeach St Johns

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

- 1 The site (presently agricultural land) is outside the confines of the settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to South Holland District Local Plan Policy E12 and emerging Lincolnshire Structure Plan Policy 47. These policies are in accordance with national planning policies as set out in Planning Policy Guidance Note No.7, 1997 'The Countryside – Environmental Quality and Economic and Social Development', and are aimed at the conservation of agricultural land and the preservation of the character of the countryside. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would extend development beyond the established and defined boundary of the village and be harmful to the purposes of these policies. As well as its individual effect on these issues, it would encourage further similar proposals which would be difficult to resist.

The determined plans are:
