Dear Sir

OVERHEAD LINES
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING ACT 1990.

With reference to the application particulars of which are specified below, I am directed by the Secretary of State to inform you that consent is hereby granted pursuant to section 37(1) of the Electricity Act 1989 ("the 1989 Act") to the installing above ground of electric lines ("the lines") particulars of which are specified below.

Pursuant to section 37(3) of the 1989 Act this consent is given subject to the following conditions:

1. Subject to Regulations 50, 51, 71 and 72 of The Conservation (Natural Habitats, &c.) Regulations 1994, the Secretary of State may review this consent at any time after a period of five years from the date hereof, and upon such review, after giving all persons concerned an opportunity of being heard, he may vary or revoke his consent.

2. If the Secretary of State revokes this consent the lines shall be removed within such period as the Secretary of State may direct.

Pursuant to section 90(2) of the Town and Country Planning Act 1990 ("the 1990 Act") the Secretary of State hereby directs that planning permission for the Development shall be deemed to be granted subject to the following condition(s):

1. The Development to which this permission relates shall be begun not later than the expiration of five years beginning with the date hereof.

Reason: For conformity with section 91 of the 1990 Act.

2. No work associated with the Development shall take place until there have been submitted to and approved in writing by South Holland District Council, after consultation with the Archaeological Officer, a programme of works, including the siting of supports and detailed arrangements for the dismantling of redundant lines, close to, and within the Romano-British settlement, east of Raven's Gate. All work shall be carried out in accordance with this programme.

Reason: To enable South Holland District Council to exercise reasonable and proper control over aspects of the details of the Development.

3. The Company shall dismantle and remove from the site any redundant lines and apparatus within six months from the date of commissioning of the lines.

Reason: To restore the land as far as practicable to its condition before the redundant lines and apparatus were installed.

4. Where any matter is required to be approved by the District Council under any of the foregoing conditions in default of such approval that matter shall be determined by the Secretary of State.
