Please tell us the location of the tree(s).

South west side of All Saints
Church Holbeach - as per attached
plan.

I give six weeks notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a
Conservation Area. Please give the name of the Conservation Area here: - HOLBEACH

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
TURKEY OAK	T980	CUT BACK BRANCHES OVERHANGING CHURCH ROOF	POTENTIAL DAMAGE TO CHURCH	N/A.

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the replacement tree to plant as a replacement.
