DETAIL

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reproduced or used for any other purpose other than that for which it is issued. The Overall Contractor is to check all dimensions on site and report any discrepancies to the Architect. All levels shown within drawing including foundations are based upon typical site conditions related to these details. Workmanship can be accepted for abnormal conditions which may be discovered during construction and reported to the Architect so that design amendments may be considered. Specialist advice is appropriate in respect of foundations to suitable specific site conditions before tendering. Dimensions in Millimetres. This drawing is limited in the extent of information contained and does not purport to constitute full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a working document when, The Architect is not to be employed or responded on site by G.R. Merchant or any representative thereof, it is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used listed and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European norm equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction, Design and Management Regulations an independent Planning Supervisor will be required. The works shall comply with all the current British Standards. Work that may not be visible, to be checked by relevant authority or client prior to cover and the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbours boundaries.
