Description: Residential development - proposed building plot for bungalow and access

Location : 6 WELBOURNE LANE NORTH HOLBEACH
SPALDING

**South Holland District Council hereby give notice that OUTLINE
PLANNING PERMISSION HAS BEEN GRANTED for the development in
accordance with the application submitted, subject to the following:**

- 1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun before the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Drawing Ref: 1:1250 Location Plan of 410/LP/BP/2014A; Flood Risk Assessment (prepared by S M Hemmings dated 20 January 2015)
Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 No development shall take place without the prior written approval of the Local Planning Authority of all details of the following matters:

i) the layout, scale and external appearance of building(s), including a schedule of external materials to be used;

- ii) the means of access to the site;
- iii) the landscaping of the site;
- iv) the means of sewage and surface water disposal;
- v) the existing and proposed site levels and floor levels of the buildings and hard surfaced areas.

Reason: The application was submitted in outline only and the above details are required to enable the Local Planning Authority to assess the detailed design, appearance and layout of the development as well as ensure that appropriate access and services are provided to serve the development.

This Condition is imposed in accordance with Policies SG12, SG13, SG14 and SG18 of the South Holland Local Plan 2006 and national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

- 4 The development hereby permitted shall be carried out in accordance with the Flood Risk Assessment (prepared by S M Hemmings dated 20 January 2015) and in particular the following mitigation measures:
- Finished floor levels of the dwelling shall be set no lower than 3.90mAOD;
 - Flood resilient and resistant construction techniques shall be incorporated throughout the development.
- The mitigation measures shall be fully implemented prior to occupation.

Reason: To reduce the risk and impact of flooding to the proposed development and future occupants.

This Condition is imposed in accordance with national guidance set out in Section 10 of the National Planning Policy Framework 2012.

- 5 The development hereby permitted shall not exceed one storey in height and there shall be no provision of habitable accommodation within the roof space.

Reason: To ensure that the development is compatible with the existing character of development in the locality.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006.

- 6 When application is made to the Local Planning Authority for approval of reserved matters, that application shall be accompanied by a scheme of landscaping and tree planting indicating, inter alia, the number, species, heights on planting and positions of all trees in respect of the land to which that application relates, together with details of post-planting maintenance and such a scheme shall require the approval of the Local Planning Authority before any development is commenced. Such scheme as is approved by the Local Planning Authority shall be carried out in its entirety within a period of six months beginning with the date on which development is commenced. All trees, shrubs and bushes shall be maintained by the owner or owners of the

land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Note: The applicant is recommended to employ a qualified and experienced landscape designer to produce a landscaping scheme for the development.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.

This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan 2006.

- 7 Before the commencement of development hereby granted, details of the proposed boundary treatment, including a schedule of materials, and details of the size and species of any hedging, shall be submitted to and approved in writing by the Local Planning Authority, and the details so approved shall be implemented in full before the development is first brought into use.

Reason: In the interests of the character and appearance of the development and the visual amenity of the area in which it is set.

This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006.

- 11 The applicant is advised that the proposed plan is indicative and that siting and dwelling details are reserved for subsequent approval.

The Local Planning Authority has acted positively and proactively in determining this application by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise and subsequently determining to grant planning permission in as timely a manner as possible in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Copies of all documentation submitted in connection with this application can be viewed online at www.sholland.gov.uk/doitonline/plandev/plansearch.aspx

Note(s):

The development hereby permitted will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (via call centre Tel: 01522 782070) prior to the commencement of any works within the public highway.
