Proposal: Change of use from residential to residential/child minding business

Location: 28 Market Rasen Way Holbeach Spalding

Applicant: Mrs K Ceslauskiene

Dear Sirs,

I would like to become a self-employed Childminder working from my own home.

I have one 18-month-old child of my own and I am planning to look after another 2 children maximum at the start. In the future the number might increase to 3 children, 4 in total with my own.

I am not planning to employ anyone else, I would like to work on my own.

I would like my working hours to be between the hours of 8:30 – 18:30 Monday to Friday.

I am not planning to make any internal or external alterations to my home.

Kind regards,

Karolina Ceslauskiene
