DO NOT SCALE FROM THIS DRAWING

The drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon visible site conditions only and are subject to the Local Authority Building Inspectors approval. It is the responsibility of the Contractor to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client of their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed in accordance with the manufacturers instructions. Where applicable all electrical work and heating installations shall conform to the current edition of BS7671 (IEE Wiring Regulations) and where shall conform to the requirements of Part P of the Building Regulations 2000. Where mains operated smoke alarms and heat detectors are to be installed, these shall be to a system 3 standard with battery backup and shall conform to the current edition of BS5839 part 6 or European equivalent. The Employer / Client shall ensure that the selected contractor is competent with and across all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
