TOWN AND COUNTRY PLANNING ACT 1990 FULL PLANNING PERMISSION

Reference:	H09-1016-09	Date of Notice:	24th November 2016
Applicant:	Scottish Power Renewables (UK) Ltd 4th Floor 1 Atlantic Quay Glasgow G2 8jb G2 8JB		
Location:	Land To North East Of Manor Farm Holbeach Hurn Spalding Lincs		
Description:	Erection of 8 wind turbines (maximum tip height 110.5 metres) with ancillary works; including control building, underground electrical cables, tracks, operational phase meteorological mast, crane hardstanding areas, temporary storage/construction compound, and site access		

South Holland District Council hereby decline to determine the above application for the following reasons:

- 1 More than six months have elapsed since the expiry of the statutory time limit for the determination of the application by the local planning authority and therefore an appeal against non-determination would not now be possible.

Accordingly the District Council has formally treated the application as finally disposed of in accordance with the Town and Country Planning (Development Management Procedure) Order 2015, Article 40.

Paul Jackson
Place Manager
South Holland District Council
