Drawing

Job Ref.	Drawing No.
761-03	02
Date: AUGUST '03	Drawn: J.C.

Scales

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions assumed to be safe. No responsibility can be accepted for abnormal conditions, which may be discovered during construction and must be reported to the Architect immediately. Any variations to the conditions assumed must be approved in writing by the Architect before any work is commenced. It is the responsibility of the Contractor to establish exactly the conditions before foundation work is undertaken. This drawing is limited to the extract of information contained and does not purport to contain a full specification of the works. It is issued for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document/others. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant parts of specific, Materials and methods to appropriate British standard specification or CP's, codes or European codes implemented. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all necessary measures to conform with Health and Safety legislation for Building sites and Trade unions. The Employer / Client is advised that they should be sure to comply with the Construction Design and Management Regulations as Independent Planning Supervisor will be required. This work shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out this works shall be deemed to be included.
