Dear Sir/Madam

Suggested Amendment to Application - Request for Further Time

It has been suggested that changes to your proposal are desirable. Because we may need to repeat certain procedures as a result of the amendment, should you agree to it, the period which the Authority has to determine the application will need to be extended, based on the date of receipt of the amendment. It may not necessarily take that length of time to reach a decision, of course.

Should you submit amended details, please complete the attached amendment forms so that we may process the submission without delay; and at the same time return this letter indicating your agreement to the extra period. If I do not hear from you within two weeks, I shall have to determine the application as originally submitted, so if there may be a delay in supplying the amended details, please let me know.

On the other hand, if you do not agree to making the changes suggested, or to the extension of time, please let me know by returning this letter with the reply section completed appropriately, and your application will then be determined as originally submitted.

Yours faithfully

B SMITH MRTPI
Director of Planning & Building Control Services
