TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H09-1127-17 **Date of Decision:** 13th March 2018

Applicant: Rose & Crown Inn

Location: Rose & Crown Inn Low Road Holbeach Hurn Spalding Lincs

Description: Proposed extension to existing caravan site - re-submission of H09-1171-16

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The proposal would meet rural tourism and economic objectives within the South Holland Local Plan, 2006 and National Planning Policy Framework, 2012 and make the site more attractive to visitors. It would also help to support the Rose and Crown Public House in a difficult climate, which is a service centre for the local community as well as visitors to the caravan site. The proposal would not cause material harm to the character and appearance of the surroundings.

However, the above matters are outweighed by the fact that the proposed development would increase noise and disturbance on the proposed site, both in terms of volume and duration, to a substantial degree. This would cause significant harm to the living conditions of occupiers of nearby dwellings and the Spinney in particular. The proposal is therefore in conflict with Local Plan Policies LT7 and SG17 and advice within the National Planning Policy Framework, 2012. One of the criteria in Local Plan Policy LT7 is that the development should not harm the amenity of local residents. Policy SG17 similarly indicates that planning permission will not be granted for development which would cause material harm to residential amenity. Whilst paragraph 28 of the Framework stresses that

planning policies should support the growth and expansion of all types of business and enterprise in rural areas and support sustainable rural tourism and leisure developments, paragraph 14 indicates that this is unless any adverse impacts would significantly and demonstrably outweigh the benefits.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reasons for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The determined plans are:
Dwg. nos. 137374/17/1 and 137374/17/2;
Flood Risk Assessment by Geoff Beel Consultancy (Ref: GCB/Status design) dated February 2017.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
