I have reviewed the GR Merchant Limited 'Building Regulation Specification for Willow Tree Farm, Spalding Road, Holbeach PE12 7HP job ref 3486-19 dated November 2019 Rev B 22/11/2019' and confirm that the proposals are sufficient to discharge condition 5 part i of H09-0874-19 however I would advise that minimum penetration of the slab by services including central heating and water pipes is preferable.
GR Merchant suggested in their email of 18/11/2019 that validation by photographs would be provided, this is will be fine to satisfy part ii.
