CASE OFFICER ASSESSMENT

The proposed single storey classroom extension is considered to be appropriate for the site, and has no impact upon the amenity of site users nor the character of the surrounding area.

Councillor Biggadyke has stated "Access to school from the South could be improved by foot if the footpath at the rear of St Mathews residential building was brought up to a decent standard of maintenance to enable children to walk to school from the Hall Hill estate and further in a traffic free area." This has no relevance to the application at hand.
